Freedom Corner Veterans' Tribute at McCarty and High Street

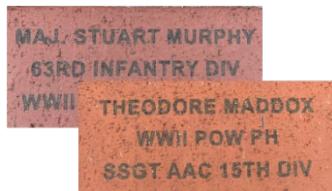

In 2013, East Side Business Association adopted the right-of-way space at the intersection of E. McCarty and E. High Streets, with the intent to upgrade the Armed Forces Tribute erected in 1976 marking 200 years of service. We named the new veterans' tribute "Freedom Corner," in recognition of the service and sacrifices endured by veterans, past, present and future to preserve the American Way of Life.

Freedom Corner veterans tribute provides veterans' and their families the opportunity to proudly recognize and support their service members with a memorial paver; and an opportunity for the general public to demonstrate their patriotism and support of our armed forces by purchasing a paver with a personalized "show of support message" for our "Defenders of Freedom". You don't have to be a veteran to purchase a tribute paver.

Three sizes of pavers are available as shown below. All proceeds from the sale of pavers go towards the maintenance and preservation of this prominent, east side veterans' tribute. See reverse side for an application; or for questions, email: [Info@JCESBA.Org](mailto:Info@JCESBA.Org)
